Ahoy hoy? I'm going to the back seat of my car, with the woman I love, and I won't be back for ten minutes! You don't like your job, you don't strike. You go in every day and do it really half-assed. That's the American way.

Kids, you tried your best and you failed miserably. The lesson is, never try. The Internet King? I wonder if he could provide faster nudity... Uh, no, you got the wrong number. This is 9-1...2.

Your guilty consciences may make you vote Democratic, but secretly you all yearn for a Republican president to lower taxes, brutalize criminals, and rule you like a king! Our differences are only skin deep, but our sameness goes down to the bone.
